Justice Weathers has his hands full with the ranch and his twin boys. A widower whose love life is pretty much non-existent and maybe that's for a reason. His family doesn't seem to have much luck with happily-ever-after.

He's not looking for love. Heck he runs from it.

He might have a bit of running to do. Someone's on her way to Cotton Creek and when she gets there she's gonna stir up a whole lot of feelings he's spent the last three years trying to forget.

Yeah, that bit about nothing ever happening in Cotton Creek? So wrong.
