## **Green Mansions** W. H. Hudson

"Green Mansions" by W. H. Hudson tells the story of Abel, a young wealthy Venezuelan who flees Caracas for political reasons and soon finds himself in the uncharted forests of the Guyana jungle. There Abel meets the mysterious Rima the Bird Girl. As Abel chases after his secret admirer, she leads him further and further into her invisible trap of love. Then the secret begins to unfold. The language of "Green Mansions" is exquisite, and the book will be especially intriguing to anyone with an interest in nature, for it is not only a wonderful love story, but also a vivid description of the Venezuelan rain forest and its indigenous people. Readers who have read Rand Johnson's "Arcadia Falls - A Fable" will find interesting parallels here, as Hudson presents a moving and mysterious romance against a backdrop of great natural beauty. Books as rich as "Green Mansions" need to be savored, like good wine. The story flows naturally and poetically. Though written over a hundred years ago, it doesn't seem at all dated. The plot and the pacing are superb, and Hudson's storytelling is particularly fascinating. Written with rich and moving prose, "Green Mansions" is a truly absorbing book.

#### **Estella Pierre:**

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Green Mansions can make you sense more interested to read.
