The Autobiography of William Carlos Williams (New Directions Paperback) William Carlos Williams

***The Autobiography* is an unpretentious book; it reads much as Williams talked?spontaneously and often with a special kind of salty humor. But it is a very human story, glowing with warmth and sensitivity. It brings us close to a rare man and lets us share his affectionate concern for the people to whom he ministered, body and soul, through a long rich life as physician and writer.**

William Carlos Williams's medical practice and his literary career formed an undivided life. For forty years he was a busy doctor in the town of Rutherford, New Jersey, and yet he was able to write more than thirty books. One of the finest chapters in the *Autobiography* tells how each of his two roles stimulated and supported the other.
