The Book Of Revelation Code Dr. Andrew Greszczyszyn

Not a 2012 End of Time Prophecy. What then is the real truth behind the Book of Revelations? Many people both Christian and non-Christians alike have talked about what is revealed in the Book of Revelations. Some say it is an End of Times prophecy, others it is merely a dream or child's bedtime story. In the second edition, *The Book of Revelation Code*, Dr. Greszczyszyn dispels any mystery and reveals the only truth behind what John's revelation and Book of Revelations truly means. More than another spiritual interpretation, higher than some New Age Thought, the revelations shared within *The Book of Revelation Code* is drastically the needed information to understand why this book was included within the Holy Bible. Simple enough that a child could read, with ideas so powerful and advanced that mystics, first century through present-time disciples of Christianity, theologians and spiritualists all can understand the truth behind what Satan is, why Satan was incorrectly given the number 666, how so many people are mistaken about the Four Horsemen of the Apocalypse and what Fire, Brimstone and Second Death truly describe. More than a book, *The Book of Revelation Code* is a masterpiece in religious and spiritual truth, highlighting why Dr. Greszczyszyn has become such a force of spiritual genius.
