Athena and Eden: The Hidden Meaning of the Parthenon's East Faade. Jr. Robert Bowie Johnson
Athena and Eden is a landmark book, revealing the surprising identity of Athena and unlocking the long-hidden meaning of the sculptures which graced the east facade of her famous temple, the Parthenon. The Greek myths tell us much about the sculptures, but the key to their correct interpretations lies elsewhere. Of all places, we find it in the Scriptures, particularly the Book of Genesis. The simple secret is that the Book of Genesis and the Parthenon sculptures tell the same story from opposite viewpoints.

Welcome to this provocatively unique exploration and reconstruction of the east facade of Athena's great temple: the Greeks' masterful monument to the serpent's side of Eden.

Joy Carlson:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Athena and Eden: The Hidden Meaning of the Parthenon's East

Faade. can make you feel more interested to read.
