## **Circle of Deception** M. Skye

Megan Marie Cardoza is a twenty-six-year-old media CEO with a less-than-impressive personal life. When Meg's best friend, Emily, returns to town, she and Meg's siblings shake things to the core. This prompts Meg to reveal her true feelings for her ex, Alex, and to give in to the needs that she's been suppressing for six long years. After a steamy reconciliation between her and Alex, everything seems to be falling back into place, until their past comes back to slap them in the face; at their engagement party no less. With the arrival of Meg's parents and the continued interference by Alex's father, who hates Meg, secrets much deeper than they ever expected float to the surface and threaten to rip Meg and Alex apart - with fatal results for some. When everything she thought she knew is in question, Meg must decide if the secrets are too much to bear and enough to walk away for good.
