Go in Practice

Matt Butcher, Matt Farina

Go in Practice Matt Butcher, Matt Farina

Go may be the perfect systems language. Built with simplicity, concurrency, and modern applications in mind, Go provides the core tool set for rapidly building web, cloud, and systems applications. With superstar projects like Docker giving the language a high-visibility boost; it's no wonder that companies are clamoring for experienced Go engineers. With knowledge of a language like Java or C#, it's easy to get started with Go; the trick is finding the practical dirt-under-the-fingernails techniques that are needed to build production-ready code.

Go in Practice guides readers through dozens of real-world techniques in key areas like package management and microservice communication. Following a cookbook-style Problem/Solution/Discussion format, this practical handbook builds on the foundational concepts of the Go language and introduces specific strategies that can be used in day-to-day applications. Readers will learn techniques for building web services, such as using Go in the cloud, testing and debugging, routing, and network applications.

Purchase of the print book includes a free eBook in PDF, Kindle, and ePub formats from Manning Publications.

From reader reviews:

Tara Thornton:

The book Go in Practice can give more knowledge and also the precise product information about everything you want. Exactly why must we leave a good thing like a book Go in Practice? A few of you have a different opinion about guide. But one aim in which book can give many facts for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or information that you take for that, you could give for each other; you may share all of these. Book Go in Practice has simple shape however you know: it has great and large function for you. You can appear the enormous world by start and read a reserve. So it is very wonderful.

Lawrence Elam:

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. A lot of author can inspire their very own reader with their story or even their experience. Not only situation that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some analysis before they write with their book. One of them is this Go in Practice.

Sherman Etheridge:

Spent a free time and energy to be fun activity to perform! A lot of people spent their free time with their family, or their particular friends. Usually they undertaking activity like watching television, gonna beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? May be reading a book can be option to fill your free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the publication untitled Go in Practice can be great book to read. May be it can be best activity to you.

Robert Victor:

Within this era which is the greater individual or who has ability in doing something more are more valuable than other. Do you want to become considered one of it? It is just simple method to have that. What you need to do is just spending your time not very much but quite enough to get a look at some books. One of the books in the top checklist in your reading list is actually Go in Practice. This book which is qualified as The Hungry Hillside can get you closer in growing to be precious person. By looking upwards and review this guide you can get many advantages.
