Great Jokes 4: A Really Funny Collection of Truly Good Jokes Jim Cartwright

To quote the great Emo Phillips, “Some mornings it just doesn't seem worth it to gnaw through the leather straps.” We know just how that feels, so we decided to do something about it. That something turned out to be author **Jim Cartwright**, and after we'd thoroughly brainwashed him and reprogrammed him into a joke-seeking machine, we set him loose on the world.

He came back eventually, having memorized a dazzling selection of the best gags out there. So we strapped him into the Extract-O-Tron, and drained him of everything he'd learned. *Great Jokes* is the result, a fabulous collection of over half a thousand jokes on topics as wide-ranging as Martians, parrots, footballers, and lint.

We have tried to keep dark stuff out of the book, but it's one of those areas without firm definitions, and who's to say our view of 'dark' agrees with yours? So if you're easily offended, or of a sensitive disposition, please don't risk it. We want to make people laugh, not make them feel bad.

Still here? Great! Let's go have a good laugh together.

If you like *Great Jokes*, you'll also love *Over the Hill* by **George Dorn**, a wonderful collection of wit and wisdom relating to aging – and remember to pick up the other volumes in the amazing *Great Jokes* series.
