**My Life Changed Forever: The Years I Have Lost as a Target of Organized Stalking** Elizabeth Sullivan  
My Life Changed Forever is the author's story about being forced to live under constant surveillance since 1994. It is a true crime exposé into the world of organized stalking, a form of organized crime. Sadly, it is more common than realized, and many targets never find out who is behind it. It often includes stalking, constant following, psychological harassment and mind games. However, some targets are also attacked physically in what is often called technological harassment. This includes the use of things such as non-lethal weapons.
