## **Dream Jungle** Jessica Hagedorn

Jessica Hagedorn has received wide critical acclaim for her edgy, high-energy novels chronicling the clash and embrace of American and Filipino cultures. With *Dream Jungle*, she achieves a new level of narrative daring.

Set in a Philippines of desperate beauty and rank corruption, *Dream Jungle* feverishly traces the consequences of two seemingly unrelated events: the discovery of an alleged 'lost tribe' and the arrival of a celebrity-studded American film crew filming an epic Vietnam War movie. Caught in the turmoil unleashed by these two incidents are four unforgettable characters—a wealthy, iconoclastic playboy, a woman ensnared in the sex industry, a Filipino-American writer, and a jaded actor—who find themselves drawn irrevocably together in this lavish, sensual portrait of a nation in crisis.
