Candice Burns lives by the motto taught to her by her mother: "Never tell a man you love him...just use him for sex". But things change when she meets Taylor Faison who is perfect for her. He has the personality, the swag, and a very large package that he carries in between his legs. Not only is he a boss in his own right, but he also knows how to please her physically, mentally and emotionally.

Candice quickly finds herself trapped in a battle of lust and love for Tay. She's never been one to admit her feelings for him, so when he starts to tell her how he really feels, Candice feels threatened, scared and wants to retreat back to the woman she'd always been—the one who shunned love and settled for sex.

But now things are different. No matter how hard Candi tries to hide her true feelings, she finds herself falling in love with Taylor. She tries to convince herself that it's just sex and nothing else but even she knows that's too good to be true. And even with Candice trying to figure out her feelings, Taylor has a dirty little secret that could quickly blow everything apart.

Will Candice finally be open to admitting love? Or will she forever be alone? Will Taylor reveal to her his big secret? Or will an unexpected arrival bring everything out into the open?
