The Learning Tree

Gordon Parks

The Learning Tree Gordon Parks

Newt Winger is an African-American teenager living in rural Kansas in the late 1920s and early 1930s. He generally confronts the prejudices of the era with pride and an even temper, unlike his hot-headed friend Marcus Savage. As circumstances slowly pull Newt and Marcus further apart, Newt witnesses a murder - one committed by Marcus' father Booker. When Newt's decision to come forward as a witness leads to Booker's death, Marcus ambushes and confronts Newt with a gun - resulting in a vicious fight. Newt wins the fight but spares Marcus' life, only to watch helplessly as Marcus is shot and killed by a racist sheriff.

From reader reviews:

Scott Barbour:

Book is actually written, printed, or outlined for everything. You can recognize everything you want by a guide. Book has a different type. To be sure that book is important factor to bring us around the world. Close to that you can your reading ability was fluently. A e-book The Learning Tree will make you to always be smarter. You can feel far more confidence if you can know about every thing. But some of you think which open or reading the book make you bored. It is far from make you fun. Why they are often thought like that? Have you searching for best book or appropriate book with you?

Charles Baker:

What do you concerning book? It is not important to you? Or just adding material when you need something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have spare time? What did you do? Every person has many questions above. They must answer that question mainly because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need that The Learning Tree to read.

Barbra Walker:

Reading a book for being new life style in this calendar year; every people loves to study a book. When you study a book you can get a great deal of benefit. When you read books, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. In order to get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, such us novel, comics, along with soon. The The Learning Tree will give you a new experience in reading through a book.

Georgia Yorke:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book had been rare? Why so many query for the book? But any people feel that they enjoy to get reading. Some people likes looking at, not only science book but also novel and The Learning Tree or even others sources were given information for you. After you know how the great a book, you feel want to read more and more. Science reserve was created for teacher or maybe students especially. Those books are helping them to put their knowledge. In various other case, beside science publication, any other book likes The Learning Tree to make your spare time more colorful. Many types of book like here.
