This guide covers several topics.

XBMC free software plus how to install its 2800 channel addons

Jailbreaking Apple devices

Accessing Amazon's complete 90 page Fire TV/ TV stick user guide

User guide for Google Android TV

User Guide for Android tablets & phones

I have an alternative listing which includes identical XBMC Kodi content but adds a Fire tablet user guide instead of an Android User guide.

The android part of the guide has been future proofed by the inclusion of the latest android version 5.0 codenamed lollipop.

The free XBMC software, which can be used on Android, Windows, Amazon Fire, Raspberry Pi, Linux and most Apple devices, provides users with the option to cancel their satellite or cable TV subscriptions and save money.

This guide is currently selling over 1000 copies a year through only two UK outlets, and has had excellent feedback, with words such as- lifesaver, 5 stars, 1st class, excellent, saves hours of searching the internet.

The guide provides detailed step by step instructions for installing XBMC Kodi and all 2800 channel addons and accessing more than 1200 pages of online content and forums.

The guide deals with how to install XBMC in the minimum amount of time, which of the 7 download sites to use and to avoid, how to circumvent blocked channels, where to get help, how to handle adult content, and much more.

The guide is updated regularly, so that readers always have the latest information.
