A Student's Guide to Methodology

Peter Clough, Cathy Nutbrown

A Student's Guide to Methodology Peter Clough, Cathy Nutbrown

Essential for anyone undertaking a dissertation or theses, this book presents clear and straightforward information and advice on the process and functions of methodology. Although methodology is normally reported within a single methodology chapter, the authors show how every element of the account—from the framing of Research Questions to the drawing of Conclusions—is a function of methodology. They also clearly differentiate methodology and methods, and explain how their relationship is articulated in practice. This **Second Edition** includes a range of new examples as well as updated readings and suggestions on using the internet as a research tool and resource.
