## Classic Tattoo Designs Coloring Book (Dover Design Coloring Books) Eric Gottesman

Tattoos have been around for thousands of years. (The ancient Egyptians seemed to have favored geometric figures.) Regarded by many who wear them today as a form of personal identification, tattoo designs range from symbols of courage and patriotism to expressions of love and affection.

This collection of colorable tattoos — all adapted from patterns created during the first half of the 20th century — lets colorists of all ages apply their own eye-catching hues to thirty pages of intriguing designs. From frightening figures and powerful beasts to good luck symbols, pretty girls, and pierced hearts, the traditional tattoos represent a unique form of body art — *and* a great source of coloring fun.
