## Death Machines of Death Vince Kramer

All machines suddenly come to life for some reason and go on a rampage to kill every human being on the planet. It's kind of like that movie *Maximum Overdrive*, only ten times as fucking brutal!

Welcome to the Big Old Gaylord Opryland Resort! Do you lack the energy to get a date? Are you batshit insane and looking for a cure? Are you a pants-shitting senior who wants to stop being old? Do you hate Stephen King? Then, this weekend, there's a seminar for you! Sure, there's a comet flying through space bringing all machinery to life and killing everybody, but don't worry about that! Here, have a sandwich! Visit our many attractions! See our massive convention center (of *death*), our beautiful atrium (of *death*), and our arcade (of *death*)! Ignore the massive senior citizen orgy. Don't talk to the kid in the wheelchair. We guarantee the elevator will *not* transform you into a cyborg. Mr. Coffee *isn't* trying to kill you. And there is absolutely nothing suspicious going on in the basement. (Don't go down there though, *seriously*).

Take a load off, have a good time, and prepare to *die*!

Death Machines of Death is an apocalyptic horror comedy by Vince Kramer that just so happens to be a million times better than anything you've ever read before. And if you think for one minute that those boring literary classics like *The Great Gatsby* or *Moby Dick* are better than this, then you're fucking stupid!
