About the authors

Together they are award-winning health experts with over 20 years of professional experience in the health and wellness industry.

Separately, Mia J Kacen and Lorraine Barwick have helped thousands of people lead happier, healthier and longer lives over the past 10 years.

You can call them "wellness revolutionaries" as they have made significant contributions to wellness – changing our aging population for the better one person or patient at a time.

Their combined contributions towards the prevention and management of chronic diseases, as well as Lorraine's accomplishment of overcoming Lyme disease, serve as an inspiration to future generations.

As 63% of the adult Australian population are overweight (AIHW), 1 in 4 Aussie children are overweight

and 60% of Australian adults do not exercise enough to meet the current physical activity guidelines, Mia and Lorraine re-visit the ever changing wellness landscape each week, digging into these problems by coaching people to make small, everyday, positive lifestyle changes to improve their quality of life and lessen the burden of disease.

Mia and Lorraine are revolutionary entrepreneurs in health, but what matters most to you is that they are just like you, trying to fit healthy into a busy schedule. Their one big point of difference – they understand how to shape helpful advice into books that people want to buy.
