Prey: A Novel Linda Howard

NEW YORK TIMES BESTSELLER

BONUS: This edition contains an excerpt of Linda Howard and Linda Jones's *Running Wild*.

Thirty-two-year-old Angie Powell has always spoken her mind, but in the presence of Dare Callahan she nurses a simmering rage. Three years ago, Dare returned home to rural Montana and opened a hunting business to rival Angie's own, forcing her to close up shop. The infuriatingly attractive Iraq war vet even had the nerve to ask Angie out, not once but twice. Before Angie leaves town, she organizes one last trip into the wilderness with a client. But the adrenaline-fueled adventure turns deadly when Angie witnesses a cold-blooded murder and finds herself on the wrong side of a gun. Then a bear comes crashing through the woods—changing the dark game completely. Luckily, Dare is camping nearby and comes to her aid. Forced together for survival, Angie and Dare must confront hard feelings, a blinding storm, and a growing attraction—while a desperate killer and a ferocious five-hundred-pound beast stalk their prey.

From reader reviews:

Angela Jones:

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe will update themselves by examining books. It is a good choice in your case but the problems coming to you actually is you don't know what kind you should start with. This Prey: A Novel is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Katherine Sherrer:

Nowadays reading books become more than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The data you get based on what kind of book you read, if you want get more knowledge just go with education books but if you want truly feel happy read one together with theme for entertaining like comic or novel. The actual Prey: A Novel is kind of e-book which is giving the reader unstable experience.

Eleanor Gomez:

This Prey: A Novel tend to be reliable for you who want to be described as a successful person, why. The reason of this Prey: A Novel can be one of many great books you must have is usually giving you more than just simple reading through food but feed you with information that perhaps will shock your earlier knowledge. This book is handy, you can bring it just about everywhere and whenever your conditions in e-book and printed ones. Beside that this Prey: A Novel giving you an enormous of experience including rich vocabulary, giving you tryout of critical thinking that we realize it useful in your day activity. So , let's have it and luxuriate in reading.

Sharon Hite:

You can spend your free time to learn this book this e-book. This Prey: A Novel is simple to bring you can read it in the playground, in the beach, train along with soon. If you did not possess much space to bring the actual printed book, you can buy typically the e-book. It is make you quicker to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.
