## **New beginnings...**

Split up with his high school girlfriend, Kevin faces his first year at the co-species Draconis University with a heart closed to the idea of new romance. At the urging of his roommate, Kevin goes to his first shifter party and meets Diego, a charming and magnetic dragon alpha who ignites some rather *unusual* feelings within him.

## **Forbidden desires...**

Kevin finds himself uncontrollably drawn to Diego, violating everything he thought he knew about himself. He can't be sure if Diego even feels the same way about him...but despite his resistance, Kevin continues to spiral down the rabbit hole of forbidden desire for the sexy dragon alpha.

## **Difficult choices...**

The strict conservative rules of the traditional Draconis University prohibits alpha omega relationships, and Kevin's parents would never understand if they learned their son had feelings for a male shifter. Can Kevin sacrifice it all for Diego, or will he be forced to walk away from the fiery passion they share?

*Secret Dorm Mates* is an M/M new adult shifter story with first time gay romance, no cliffhangers and a delightful HEA.

**BONUS BOOK INCLUDED:** This book also contains Canis Blackfang's werewolf hit, *OMEGA Captured* as a bonus freebie!
