The Red Fang (Before the Sun Rises Series) (Volume 1) Nicola C. Matthews

Hopeless, pointless. Those were the words on the lips of everyone still left standing in our small, supernatural community. The vampire Stealth had barely escaped with his immortal life after the SHIELD of Humanity attacked his home, a home which now lay in ruins on the outskirts of Shadow Cove. The lycan clans were being picked off one by one, the few remaining remnants scattered to the winds. Entire species and families were being eradicated—a full blown extermination, for no reason other than we were different and feared by the humans. Our lives were being cut short, but we would not stand idly by and watch as our families were destroyed. We would unite, fight to the bitter end, all declaring as one: We are no different than the humans, and we have the right to exist—to live. Battle lines have been drawn, but the war has just begun. If you love paranormal fantasy packed with action and romance, then Nicola C. Matthews' The Red Fang – Book One in the Before the Sun Rises Series – is for you.
