"Nikita meets Dirty Harry" "A female Jack Reacher"

A shot blasts out on a perfect day.

Blood splatters a church's stone steps.

And a young couple's dream explodes into a blood-soaked nightmare.

A highly trained killer stalks the city, seeing its streets teeming with prey. No one is safe. Anyone is a target.

The killer knows how to ambush, how to lie in wait for that perfect moment, and how to squeeze the trigger for that perfect shot. They know they are a consummate hunter – the best of the best.

But there's one thing this serial killer doesn't know – Tess Williams hunts hunters.

A world of brutality, despair, and struggle has forged Tess into a lethal weapon. Now, she hunts killers to stop innocent people suffering the nightmare life she's been forced to endure.

Today, this psycho is top of her list. And she knows all about justice taken in blood.

Tess carves a swathe of carnage through the city. Uncovering clues, hunting suspects, and punishing the guilty, she won't quit until she stops her prey. Permanently.

But the killer kills to a schedule and Tess is running out of time.

Can she stop this savage monster before the next victim is slaughtered? Or will Tess be caught in the killer's crosshairs with no chance of escape?
