When Talia crashes a masked party, the charismatic and dominant Mister Black is the one man who can either help or expose her. Neither can deny their attraction, but what happens when one hot night together turns into so much more...

We all have someone who crossed our path and fundamentally changed us. That one person who blew through our lives, their presence forever stamped on our psyche. They linger in our thoughts, in our hearts, and in the decisions we make. A soul crusher or a dream maker, depending on the perspective.

My person is Mister Black.

I didn't know him by that name when I first met him.

I didn't know him at all, but the impression he left behind was just as powerful as the name I call him today.

He is Black: a deadly enforcer and masterful seducer.

I am Red: a justice bleeder and willing participant.

Together we are passion. Colors colliding through each other's lives.

When our secrets converge in a passionate encounter, stepping out of the shadows just might be worth the risk.
