Nothing Nice To Say Jim Silke

Punk-rock culture has a rich, longstanding tradition of anger, nihilism, and good old-fashioned suburban teenage angst, and no one is more headstrong and humorless about punk rock than the punks themselves. Enter Nothing Nice to Say. Mitch Clem's Nothing Nice to Say leaves no mohawked, leather-jacket-clad stone unturned in its mission to expose the awesomeness and the absurdity of punk culture. Sometimes esoteric and always hilarious, Nothing Nice is so punk you'd think the book was bound with safety pins.
