Professional Jewelry Making

Alan Revere

Professional Jewelry Making Alan Revere

When master goldsmith Alan Revere published Professional Goldsmithing in 1991, he brought traditional European trade education to the US for the first time, adapting it for an American audience. The book was a best seller and quickly became a standard text in the field. To mark the 20th anniversary of this groundbreaking work, Revere and Brynmorgen Press offer a revised and expanded edition that includes new projects, scores of new photos, and a handsome new layout. What hasn't changed is the precise instruction that makes this edition a fitting testament to its predecessor.
