Regression Analysis: Theory, Methods, and Applications (Springer Texts in Statistics)

Ashish Sen, Muni Srivastava

Regression Analysis: Theory, Methods, and Applications (Springer Texts in Statistics) Ashish Sen, Muni Srivastava

An up-to-date, rigorous, and lucid treatment of the theory, methods, and applications of regression analysis, and thus ideally suited for those interested in the theory as well as those whose interests lie primarily with applications. It is further enhanced through real-life examples drawn from many disciplines, showing the difficulties typically encountered in the practice of regression analysis. Consequently, this book provides a sound foundation in the theory of this important subject.
