**Arbitrage: The authoritative guide on how it works, why it works, and how it can work for you** Chris Green

Questions about Amazon, FBA, arbitrage, or selling online? You can call (yes, CALL!) the author, Chris Green (or send a text if that's your thing). Phone number is included in this book.

Arbitrage is the practice of taking advantage of a price difference between two or more markets, striking a combination of matching deals that capitalize upon the imbalance, the profit being the difference between the market prices. This is the complete, authoritative, and exhaustive manual outlining the Arbitrage business model. It has been compiled and made available to anyone interested in buying products to be resold online. In this book, Chris Green will give you the keys to the Arbitrage Kingdom with the mindset of unlimited opportunities and abundance and not one of scarcity. Empires are being built by using powerful new programs like ScanPower to source and evaluate items for resale. Pair this with Amazon's amazing fulfillment program called Fulfillment By Amazon (FBA) to outsource the storage, shipping, and customer service of your items, and you have a completely scalable, nearly risk-free business model with a near-zero entry cost. The techniques described in this book can be used by anyone, anywhere to build a small side business or large empire. The only limit is your imagination.
