Not Quite Perfect (Not Quite Series Book 5) Catherine Bybee

***New York Times* bestselling author Catherine Bybee delivers the fifth flirty, heartwarming novel in the wildly popular Not Quite series.**

Mary Kildare knows how to read people. It's both why she makes a great therapist and why she refuses to trust the average bachelor. Staying fiercely independent has been her primary relationship strategy—until wealthy playboy pilot (and commitmentphobe) Glen Fairchild reappears in her life. After a yearlong teasing tug-of-war, Mary and Glen test the waters of attraction, only to find that their physical chemistry runs deeper than flirtation.

At first, a bicoastal romance suits them both—especially since Glen can swoop in and whisk Mary away on one of his company's planes on a whim. But no matter how close they get, they're still three thousand miles apart. And when Mary's life is threatened, Glen realizes the one luxury he doesn't have is time. Can he close the distance between them before it's too late?
