Brothers in Arms, Book Five. A man with everything except his heart's desire. Frederick Thorne, Duke of Ashland, has been in love with Brett Haversham for years. If the only way to have him is to give him what he wants Freddy will share him, in bed and out, with the woman Brett loves. The woman who was Freddy's first love. A man sacrificing everything for the past. Brett Haversham is in love with two people he's sworn never to touch. But his desires prove to be stronger than his resolve when they both set out to seduce him—together. The incredible sex they share overwhelms him. A woman with nothing left to lose. Anne Goode lost her fiancé Bertie in the war. Now his younger brother Freddy is back, all grown up into the handsome and powerful duke. And he's brought Bertie's best friend Brett with him. Lonely and already ruined, Anne can't resist taking both of them as her lovers. Is the uncontrollable desire between the three enough to heal the wounds of the past and overcome the problems of the present? They must accept love rather than retreat from it.
