ETHICS: DISCOVERING RIGHT AND WRONG, 8E is a conversational and non-dogmatic overview of ethical theory. Written by one of contemporary philosophy's top teachers and revised by a best selling author, this textbook even-handedly raises important ethical questions and challenges readers to develop their own moral theories by applying them. This revision also presents an even broader presentation of various positions, featuring more feminist and multicultural perspectives as well. ETHICS: DISCOVERING RIGHT AND WRONG, 8E begins with easy to read chapters that introduce questions of meta-ethics and major moral theories. Later chapters address special topics in personal and religious ethics as well as the most recent developments in moral theory, including a new chapter on Biology and Ethics. Study questions for each chapter, along with useful bibliographies, make grasping the material more accessible than ever.
