David Bellamy's Watercolour Landscape Course David Bellamy

David Bellamy's Watercolour Landscape Course is a popular guide to landscape painting that has sold over 55,000 copies to date. Structured and practical in approach, it is unique in that it has amateur painters painting pictures right from the start.

Well-known teacher-artist David Bellamy helps students to learn techniques by producing actual sketches, studies and watercolour paintings in this inspiring and practical guide.

The book is divided into three main parts:

- The first section covers all the practical aspects of watercolour painting;
- the second section is more challenging, requiring students to take a little more initiative and develop their own style; and
- the third shows how to paint the many different elements of the landscape.

The course includes numerous practical exercises which highlight the key points covered in each chapter and there are twelve demonstration pictures with clear, step-by-step instructions.
