## **Jensen's Survey of the New Testament** Irving L. Jensen

The main purpose of this New Testament survey guide is to involve the reader personally in a first-hand survey of the Bible text and to lead the reader into a time of personal reflection as he considers practical spiritual applications of the Bible book he has just studied. Important helps for study include opening paragraphs of each chapter that prepare the student for study, background information on each book, a survey of the content of each book, a discussion of the prominent subjects of the Bible book, identification of key words and verses, application suggestions, review questions, suggestions for further study, brief outlines of each book, selected reading lists, and complete survey charts. This book has been written to start the reader onto paths of study in each New Testament book, to search and discover for himself the great themes of each book.
