Reporter Sara O'Rourke never shies away from a tough story. With a serial killer on the loose, Sara is willing to put herself in harm's way to get the scoop. But when it comes to her personal life, she's not so confident. It's been a year and a half since Sara left her husband in Australia and moved to San Francisco. Sara believes she's made the right decision—until he suddenly appears to tell her that he still loves her.

Jordan Bandor has never let anyone get too close—not even his own wife. Their chemistry was always explosive, but Jordan pushed Sara away—all the way to the other side of the world. Now that mistake may cost Sara her life. Jordan knows that she's in danger. Determined to keep her safe, Jordan must find a way to stop a madman from killing the only woman he's ever loved—and prove his devotion by reminding Sara of the magic that brought them together in the first place.
