The Norton Shakespeare: Based on the Oxford Edition, 2nd Edition

The Norton Shakespeare: Based on the Oxford Edition, 2nd Edition

Upon publication in 1997, *The Norton Shakespeare* set a new standard for teaching editions of Shakespeare's complete works.

Instructors and students worldwide welcomed the fresh scholarship, lively and accessible introductions, helpful marginal glosses and notes, readable single-column format, all designed in support of the goal of the Oxford text: to bring the modern reader closer than before possible to Shakespeare's plays as they were first acted. Now, under Stephen Greenblatt's direction, the editors have considered afresh each introduction and all of the apparatus to make the Second Edition an even better teaching tool.
