High School kids in Salmon Falls are much the same as high school kids anywhere else: bored. In the far reaches of Ira County, Vermont, in the dead of winter, it seems there's nothing to do. But when eighteen-year-old Kyle Nelson and a handful of friends decide to challenge the status quo with an act of civil disobedience, they discover that there's more to do than they ever bargained for.

Garret Keizer's gripping novel about young men and women desperate for change bears witness to the dangerous force of ideas and the searing power of friendship. Here is a novel that looks truth squarely in the eye, and dares to keep on looking.
