Snippet:

No going back now, Justice Girl thought. It's do or die time.

The thought was quite thrilling. Danger was like a drug. She never got enough of it. It was her secret vice. Sometimes, she wondered if it was the same for other amazons. She was too ashamed to admit she loved it so much, so never discussed it with her sisters in vigilantism.

"Gives you a whole new appreciation for the expression, 'between a rock and a hard place' doesn't it?" she said.

His dark eyes widened a fraction of a second, then look past her. Justice Girl hated it when they did that. He was trying to make her glance over her shoulder so he could either escape or attack her. Problem was, there really might be someone behind her and he was actually trying to pretend there wasn't to keep her attention on him while the other miscreant snuck up on her.
