## Stay (Blackcreek Book 2) Riley Hart

Wes Jensen just lost the sister who raised him, and gained custody of his niece. The last thing he needs to add to his full plate is dealing with Braden Roth, the one-night-stand who continues to try to push his way into Wes's life. He has a kid to raise now, and Wes isn't great at getting close anyway.

Braden has never had a woman or a man sneak out on him the morning after. From the start, Wes intrigues him, and Braden isn't one to deny himself something he wants. And he wants Wes. The more time he spends with Wes and the little girl who constantly keeps them on their toes, the more Braden realizes this isn't just about getting the guy who walked away.

As their lives intertwine more and more, Wes discovers Braden isn't as shallow as he thought. But after everything Wes lost in his life, he isn't sure he can risk his heart, and truly want Braden to stay—and if he did, would Wes's quiet life be enough for Braden?
