## The Impossible Lives of Greta Wells Andrew Sean Greer

From the critically acclaimed author of the *New York Times* bestseller *The Confessions of Max Tivoli* comes *The Impossible Lives of Greta Wells*, a rapturously romantic story of a woman who finds herself transported to the “other lives” she might have lived.

After the death of her beloved twin brother and the abandonment of her long-time lover, Greta Wells undergoes electroshock therapy. Over the course of the treatment, Greta finds herself repeatedly sent to 1918, 1941, and back to the present. Whisked from the gas-lit streets and horse-drawn carriages of the West Village to a martini-fueled lunch at the Oak Room, in these other worlds, Greta finds her brother alive and well—though fearfully masking his true personality. And her former lover is now her devoted husband...but will he be unfaithful to her in this life as well? Greta Wells is fascinated by her alter egos: in 1941, she is a devoted mother; in 1918, she is a bohemian adulteress.

In this spellbinding novel by Andrew Sean Greer, each reality has its own losses, its own rewards; each extracts a different price. Which life will she choose as she wrestles with the unpredictability of love and the consequences of even her most carefully considered choices?
