Are you tired of the same old routine that you have in the bedroom (or elsewhere if you're daring enough)? Are you looking for new ways to rekindle the fire of passion between you and your partner but have no idea where or how to start? If you answered "yes" to both questions, then look no further than this book. *Sex: 10 Positions That Will Change Your Sex Life Forever* provides a rundown of a few sex positions that are guaranteed to help romantic partners experience what is probably the best sex they've had in what seems like ages. Not only do these positions make the sex itself more enjoyable between partners, but the greater degree of intimacy helps bring more excitement into their relationship and therefore strengthens it. Some positions are fairly new and are therefore relatively little-known while others put a modern twist on classic favorites. Are you and your partner engaging in sex in the hope of someday having a baby? Well, here's some good news for you as there is also a chapter dedicated to the ideal positions for getting pregnant. Still skeptical? Don't be. The claims in this book are backed by actual scientific research so you can rest assured that what you read can work for you and your partner—as long as you follow the steps properly.
