The Cultures of the West, Combined Volume: A History

Clifford R. Backman

The Cultures of the West, Combined Volume: A History Clifford R. Backman

The Cultures of the West: A History focuses on the ways in which the major ideas and passions of Western culture developed, internally, and how they interacted with the broader world-for good and for ill. The development of such key ideas as religion, science, and philosophy form the central narrative of this book.

The Cultures of the West stands apart from other textbooks in a variety of ways, the first being thematic unity. What did people think and believe, throughout our history, about human nature, the right way to live, God, the best forms of government, or the meaning of human life? Rather than maintaining a single interpretive stance, author Clifford R. Backman relies upon a consistent set of questions: What did people think and feel throughout the centuries about politics, science, religion, and sex? How did they come to their positions regarding the right way to live? Backman's many years of experience in the classroom have informed his approach-students respond to engaging questions more than they are inspired by facts.

Features:

- * **Single author voice:** clearly and compellingly written by an experienced teacher and scholar who knows how to emphasize intriguing and eye-opening elements of Western Civilization
- * **A book with a point of view:** even if disagreed with, the text will at engage students' minds
- * **Exceptional coverage of cultural history**, especially the history of what people thought and felt throughout the history of the West
- * **"Greater West" approach** that integrates in sustained fashion coverage of Islam and the Middle East
- * **Superior coverage** of Jewish history and the history of women
- * **Extensive primary source excerpts** integrated directly into the text, many of which have been translated by the author
- * **Footnotes** featuring surprising, engaging information usually neglected in other texts

Why then must we leave the good thing like a book *The Cultures of the West, Combined Volume: A History*? Wide variety you have a different opinion about book. But one aim which book can give many information for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or details that you take for that, you can give for each other; you can share all of these. Book *The Cultures of the West, Combined Volume: A History* has simple shape nevertheless, you know: it has great and large function for you. You can seem the enormous world by start and read a guide. So it is very wonderful.

Connie Sims:

Now a day people who Living in the era just where everything reachable by talk with the internet and the resources inside it can be true or not call for people to be aware of each data they get. How a lot more to be smart in receiving any information nowadays? Of course the reply is reading a book. Reading a book can help people out of this uncertainty Information specifically this *The Cultures of the West, Combined Volume: A History* book because this book offers you rich info and knowledge. Of course the data in this book hundred % guarantees there is no doubt in it everbody knows.

Jeffery Chavis:

Playing with family in a very park, coming to see the sea world or hanging out with buddies is thing that usually you will have done when you have spare time, then why you don't try factor that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love *The Cultures of the West, Combined Volume: A History*, you could enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

Marion Driskell:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this *The Cultures of the West, Combined Volume: A History* can make you feel more interested to read.
