**The Master Key System - Centenary Edition: Live Your Life on Higher Planes** Helmar Rudolph  
**This is the revised 2014 edition, including 12 hours of online video support by Helmar Rudolph**

This is no ordinary book - it is a **life-changing course!** In **24 weekly lessons** - there never were 28, as some claim - Charles Haanel elucidates on the Creative Principle, and how you can bring yourself into alignment with Natural (Universal) Laws that underlie all of Creation. Each of the 24 chapters contains an exercise, which is crucial to your success, as well as a final Q&A session.

Frankly, there is no book available that is more **precise and concise** in explaining who you are and how you can tap into the amazing potential that you have at your disposal. There is no book more **practical and powerful** in unlocking this potential and helping you make your dreams come true.

But is it for you? Well, if you desire a life in **health, wealth and happiness**, then YES! If you have the feeling that there's **untapped resource** hidden inside of you, but lack the 'key' to unlock it, then YES - and it's really that simple! This is what you will get:

- With the Master Key System you will be discovering what the **Truth** is and how it will set yourself free.
- You will be developing your **intuitive faculties** and thus move via your mind to your heart.
- You will learn about your own power, as well as your connection to the Infinite (God, Zero Point Field, Universal Consciousness).
- You will learn how to **align yourself with the abundance** that Nature offers us all, and that is available to us through the use of **spiritual methods**.
- You will learn how to **concentrate**, how to **visualize** (create new mental images), and how to **control and relax** both your thoughts and your body.
- You will learn how to **reason inductively** and therefore **move from Belief to Knowledge**.
- You will develop **insight and sagacity**
- You will also learn how to **imbue thoughts with feelings**, so that they can live, grow and manifest for you.
- You will learn **how to serve** others, so that others will serve you in return.

Make no mistake: this is **hard mental work**, but those persevering enough will reap rewards impossible to express in words.

Although the Master Key System was first published in 1912, it has lost nothing of its value. In fact, with a rapidly changing social, economic and natural environment, everything today depends on how fit you are to adapt and adjust - and this is first and foremost a **mental fitness**.

This **2012 Centenary Edition** is different to all others on the market. Commemorating the 100th anniversary of the MKS, Helmar Rudolph took Charles F. Haanel's age-old wisdom and put it in a **new format**, added a **fresh and easy to read layout**, and enhanced it with his own **explanations and commentary**. It is an unabridged, original version that is as beautiful to the eye as it is to the mind. For the first time ever it makes the MKS available to anyone with an earnest desire in **improving their life and controlling their circumstances**.

**Please note:** This material was previously made available only to a select few, and in ancient days only Initiates were allowed to study it - for good reason. It is therefore advised you treat it with **respect and reverence**, because what is taught there is the **Master Key** - the key to Universal Forces - irrespective of race, colour, creed, religious affiliation or external circumstances.

Using the Master Key, you **consciously co-create** and assume powers previously unthought of. With **high ideals and determined action** you lift Mankind onto **higher planes of existence**. This is of particular importance in light of the today's dramatic changes.

So, the knowledge is here for the taking, as well as all the support you may need.
