The Tempest: The Oxford Shakespeare The Tempest (Oxford World's Classics)

William Shakespeare

The Tempest: The Oxford Shakespeare The Tempest (Oxford World's Classics) William Shakespeare
Performed variously as escapist fantasy, celebratory fiction, and political allegory, *The Tempest* is one of the plays in which Shakespeare's genius as a poetic dramatist found its fullest expression. Significantly, it was placed first when published in the First Folio of 1623, and is now generally seen as the playwright's most penetrating statement about his art.

Stephen Orgel's wide-ranging introduction examines changing attitudes to *The Tempest*, and reassesses the evidence behind the various readings. He focuses on key characters and their roles and relationships, as well as on the dramatic, historical, and political context, finding the play to be both more open and more historically determined than traditional views have allowed.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
