Unleashed (Uninvited)

Sophie Jordan

Unleashed (Uninvited) Sophie Jordan

Unleashed, the romantic, high-stakes sequel to *New York Times* bestselling author Sophie Jordan's *Uninvited*, is perfect for fans of such favorites as James Patterson's *Confessions of a Murder Suspect*.

Davy has spent the last few months trying to come to terms with the fact that she tested positive for the kill gene HTS (also known as Homicidal Tendency Syndrome). She swore she would not let it change her, and that her DNA did not define her . . . but then she killed a man.

Now on the run, Davy must decide whether she'll be ruled by the kill gene, or if she'll follow her heart and fight for her right to live free. But with her own potential for violence laying right beneath the surface, Davy doesn't even know if she can trust herself.
