A Billionaire's Obsession 1 (BWWM Interracial Romance): Wanting Her Hattie Black

10:00 am, one Monday in the middle of August, 23 year old Renee Wainwright sits in the modern and chic waiting area of the widely popular and rapidly growing BYWINSTON branding, marketing and event planning firm. She had just completed her third interview, and was told to wait in the lobby while the three person panel deliberated.

Renee was positively hopeful. It was her 3rd call back after all. She looks around the sitting area, and notices one young man with spiked hair wearing a thin black tie with a black and white checkered shirt, and another woman with black rimmed glasses, blonde bangs, and tresses, and a burgundy sweater.

"I guess this is the competition." Renee whispers to herself under her breath. She glances down at her own apparel. Renee is dressed in black washed out slacks, a black blouse with ruffles down the center, and her thick curly hair worn up in a top-knot bun. Of course she is wearing her trusty black ballet flats - that Renee almost never leaves home without. Eventually the conference room door opens, and one by one each candidate is called back into the large room with an oval glass table, surrounded by silver high-back chairs. When Renee is summoned, she immediately springs up and speeds walk toward the room. Whether good or bad news, Renee is anxious to learn the final outcome.
