Change Your World One Word At A Time: How the way we speak creates our life

David Firth

Change Your World One Word At A Time: How the way we speak creates our life David Firth

A beautiful, poetic, forceful and, above all, useful book on the impact of words in shaping our futures. It argues for care in choosing the words (and the thoughts that precede them) so that we create what we would choose to create. I strongly recommend this book as a short but forceful course in living.
