Knifepoint (Breakers Book 3)

Edward W. Robertson

Knifepoint (Breakers Book 3) Edward W. Robertson

Raina was just a girl when the plague came. She survived. Her parents didn't. Neither did the world. As civilization fell, she took to the ruins of Los Angeles, eating whatever she could catch.

After two years alone, she's found and adopted by a fisherman and his wife. Their makeshift family lives a quiet life—until a man named Karslaw sails in from Catalina Island with an army of conquerors. Driven by visions of empire, he executes Raina's new father as a traitor and takes her mother captive.

But Karslaw's people aren't the only ones vying for control of the ruined land. As violence wracks the city, Raina joins a rebellion against Karslaw's rule. She will stop at nothing to free her mother—and to have her revenge.

From reader reviews:

Velda Thornley:

Information is provisions for folks to get better life, information currently can get by anyone with everywhere. The information can be a knowledge or any news even a concern. What people must be consider if those information which is in the former life are hard to be find than now is taking seriously which one would work to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Knifepoint (Breakers Book 3) as the daily resource information.

Brian Street:

Playing with family in the park, coming to see the water world or hanging out with pals is thing that usually you have done when you have spare time, and then why you don't try factor that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Knifepoint (Breakers Book 3), you can enjoy both. It is excellent combination right, you still want to miss it? What kind of hangout type is it? Oh can occur its mind hangout fellas. What? Still don't obtain it, oh come on its known as reading friends.

Drew Poland:

Is it you who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something new? This Knifepoint (Breakers Book 3) can be the answer, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this new era is common not a geek activity. So what these ebooks have than the others?

Helen Albertson:

In this particular era which is the greater man or woman or who has ability in doing something more are more precious than other. Do you want to become considered one of it? It is just simple approach to have that. What you should do is just spending your time not very much but quite enough to have a look at some books. Among the books in the top record in your reading list will be Knifepoint (Breakers Book 3). This book that is certainly qualified as The Hungry Inclines can get you closer in turning into precious person. By looking way up and review this guide you can get many advantages.
