Lust (Sins and the Virtues) Charlotte Featherstone

Of old, humans and Faeries have dwelt side by side in parallel realms. Only the canniest mortals recognize the alluring creatures that often walk—and lie—among them.

The Fae of the Seelie Court cherish an ancient quarrel with their Dark counterparts: a curse born of anger and deceit. The Unseelie Court will perish unless one of its princes can win a woman's love—honestly, without coercion...and love her wholly in return.

To halt the demise of his people, Prince Thane, the embodiment of Lust, infiltrates the Georgian court to seduce his mortal inverse. Noblewoman Chastity Lennox is purity incarnate—a prize worth winning. But Thane's quest is more challenging than he dreamed.

No one has ever been able to resist his erotic charms. Chastity's resolve is maddening...and intriguing. It makes him want her all the more. But how to seduce one who seems above temptation? Discover her greatest weakness and become the essence of her deepest, most forbidden desires....
