Megan Meade's Guide to the McGowan Boys Kate Brian
Boys. 7 of them, to be exact.

Megan is used to moving from place to place -- it's typical for an army brat. But she drew the line at South Korea. She insists on staying in the States to finish her last two years of high school. So her parents made arrangements for Megan to live with their friends, the McGowans...and the McGowans' 7 sons.

Turns out, living with 7 boys might as well be a foreign country! The boys are messy. They are cliquy (who knew?). And worst of all, two of the oldest boys are H-O-T. (A problem considering they are supposed to be Megan's "brothers.") Megan is definitely in enemy territory. She needs to win over the boys' hearts without totally crushing her own.

And when Megan starts falling for one of them, sibling rivalry takes on a whole new meaning...

What is a girl to do?
