## **The Dragon with the Girl Tattoo** Adam Roberts

Lizbreath Salamander is young and beautiful. Her scales have an iridescent sheen, her wings arch proudly, her breath has a tang of sulfur. And on her back a tattoo of a mythical creature: a girl. But when Lizbreath is drawn into a dark conspiracy she will have to rely on more than her beauty and her vicious claws the size of sabres ...A dragon has disappeared, one of a secretive clan. As Lizbreath delves deeper into their history she realises that these dragons will do anything to defend their secrets. Welcome to the world of The Dragon With The Girl Tattoo. A world of gloomy Nordic dragons leading lives uncannily like our own (despite their size, despite the need for extensive fireproofing of home furnishings), a world of money hoarded, a world of darkness and corruption. A world where people are the fantasy.
