How far would you go to claim your birthright?

When family tragedy strikes, New York lawyer Grace Howard travels to the Channel Island of Jersey. Welcomed by her family's connections by marriage, and suffering from a personal setback, Grace is introduced to two very different men. However, all is not as it first appears in this island community and before long Grace is caught up in a murder enquiry. In her time of greatest need Grace doesn't know who she can trust.

DCI Jack Le Claire has returned to his Jersey roots after a stint with the London Metropolitan Police where he worked Homicide and Serious Crime. After months of dealing with run-of-the-mill cases, Le Claire cannot help but miss his time with the Met and secretly longs for something more challenging.
