Just Love: A Framework for Christian Sexual Ethics Margaret Farley

This long-awaited book by one of American Christianity's foremost ethicists proposes a framework for sexual ethics whereby justice is the criterion for all loving, including love that is related to sexual activity and relationships. It begins with historical and cross-cultural explorations, then addresses the large questions of embodiment, gender, and sexuality, and finally delineates the justice framework for sexual ethics.

Though *Just Love's* particular focus is Christian sexual ethics, Farley's framework is broad enough to have relevance for multiple traditions. Also covered are specific issues in sexual ethics, including same-sex relationships, marriage and family, divorce and second marriage, celibacy, and sex and its negativities.
